- Loan Payment Processing
- Loan Transaction Processing
- Collateral Release and Satisfaction Processing
- Process Payoffs and Subordination Requests
- Responsible for Paid-off Loan File Procedures
- Maintain Tickler Report (internal client information tracking system)
- Loan Review Follow-Up
- Appraisal Reviews

Secondary Responsibilities:

- Preparer of File Comments
- Internal Valuations
- Appraisal Ordering/Reviews
- Ensure Officers Review Notices
- Miscellaneous Loan Administrative Tasks as Needed

Why Gateway Bank?

Gateway Bank has always had a commitment towards quality of product and service to its clients. We have found that it takes a team effort to consistently meet the high standards we have set for ourselves. Our Bank is committed to the development and growth of each associate. In turn, we count on each associate to help us maintain those high standards of quality that have made our Bank's products and services respected throughout the community.
